

## STARTING POINT

### PROJECT OBJECTIVE

To introduce a VALUE BASED education scheme to Campton. To ensure that all staff, parents and pupils are on board.

### SCHOOL CONTEXT

Campton is a small village lower school. Many of the schools around us used VALUES and we wanted to introduce it to our pupils and parents. It was also an area Identified in the School Development Plan.

### ACTIONS

- To visit other schools and find out the impact.
- Buy in some training for all staff and governors.
- Survey parents and staff on the VALUES to be included.

# VALUES BASED EDUCATION

### NEXT STEPS

- Implement a programme of 10 values.
- Keep parents informed
- Set up a method of recognising children who demonstrate the values

### Outcomes

- Trial this half-term is first VALUE: Honesty.
- VALUE concept introduced to children.
- Produce a newsletter for staff detailing VALUE definition and some resource ideas.
- Tree painted in hall – display leaves awarded to children.

### RESULTS from the Survey

- Survey completed?
- 55 Parents responded?
- 19 Staff responded
- Results indicated preferred option was 10 VALUES over a 12 month period.
- Parents to be informed/involved.
